“Easy Toaster to Plate”

Makes Toasters Work Quick & Easy!

ToasterBuddies™

Toaster Buddies™ is the only toaster essential of its kind. This handy accessory will make your toaster hassle free and easy to use every day. Toaster Buddies™ eliminates the mess, the fuss, and the “toasty finger” dilemma that toaster users have complained about for years. Toaster Buddies™ is GREAT for Toaster Pastries, English muffins, Mini Waffles, Bagels, Sandwich Thins, Strudels, Texas Toast, and much much more!

Cookware. Do not use Toaster Buddies™ for other than intended use. Toaster Buddies™ is designed for use with most pop up toasters. DO NOT use Toaster Buddies with any other cooking device or oven.

WARNING

Burn Hazard. Handle(s) must extend horizontally outside the toasters food slots and away from the heating element while in use (see figure 1). Wire basket will get extremely hot during cooking, or around any heat source, and stay extremely hot, even after the basket is removed, until allowed to cool. DO NOT touch wire basket after removal with bare fingers, exposed skin, or to a non-heat resistant surface. Use oven mitt or other heat resistant, if necessary, to touch wire basket.

Sharp Points. May cause laceration or puncture injuries. Do not rub hands on the metal basket during use or while cleaning Toaster Buddies™. Read instructions below prior to use of your Toaster Buddies™.

Note: Toaster Buddies™ is dishwasher safe or can be cleaned with warm soap and water. Thoroughly dry metal basket before and after each use. **DO NOT place Toaster Buddies™ in toaster if wet.**

INSTRUCTION FOR USE:

1. Open side panels of Toaster Buddies™ wire basket and place your toaster product or other food item inside the basket.
2. Place Toaster Buddies™ basket(s) (with food items) in slots with Toaster Buddies™ handle(s) extending horizontally outside of toaster slot (see figure 1 below). Note: If toasting bagels, English muffins, or buns, place basket in slot with cut sides of the food item facing the inside wall of toaster. Follow instructions for settings on your toaster. Press down bread lifter to initiate cooking. DO NOT force bread lifter down with Toaster Buddies Basket.
3. When cooking is complete simply lift basket out using the handle. DO NOT touch metal basket with hands until cool.
4. Empty cooked food directly onto serving dish by tilting the Toaster Buddies™ basket.
5. Before cleaning, place Toaster Buddies™ on heat resistant surface until cool.
6. Place Toaster Buddies™ back in your toaster slots for convenient storage.

NOT FOR USE IN A TOASTER OVEN

Directions for use in a long slotted single or double toaster:

Position both Toaster Buddies baskets in the slot(s) of long slotted toaster with the vertical sides of the baskets touching together and the handles positioned parallel to the slot(s) and extending away from the heating element, as shown in the below photograph.

CORRECT USE

Use only as directed.

If using only one Toaster Buddies basket, position the vertical side, below the handle, of the basket so that it touches the vertical side of toaster with the handle positioned parallel to the slot(s) and extending away from the heating element, as shown in the photograph below.

CORRECT USE

DO NOT place Toaster Buddies in the center of toaster slot. Use only as directed.

DO NOT position Toaster Buddies' handle touching any part of the heating element on either side of the toaster slot(s). **WARNING** incorrect use could melt handle and if touched will burn. Use only as directed.
